APPLICATION FORM

<Research Institution Name> _____ with registered office located in _____, fiscal code and VAT registration number _____, in the person of _____, as *<job position>*_____, hereinafter referred to as Scientific Partner

and

*<Company Name>*_____ with registered office located in _____, fiscal code and VAT registration number _____, in the person of _____, as *<job position>*_____, hereinafter referred to as Business Partner

DECLARE

- to be interested in the realization of the experimental activities planned within the *Joint R2B Innovation Project* (hereinafter referred to as R&D Project), as defined in Annex 1;

- to have signed a *Non-Disclosure Agreement* that regulates the exchange of confidential information between the Partners within the R&D Project (Annex 2);

- to commit ourselves, in case of positive evaluation and award of the project application:

  a) to contribute to the realization of the R&D Project co-financing the research activities, as defined in Annex 1;

  b) to define, by means of a separate Collaboration Agreement between Partners, the terms and conditions of the collaboration, in particular with regards to the results of the experimental activities and their rights of use and exploitation (IPR), as established in the pre-existing know-how claimed in Annex 1;

  c) to indicate the Scientific Partner as the Innovation Voucher beneficiary and as host institution of the experimental activities. The host institution will pay the costs for the incidental expenses (*e.g.* travel expenses, insurance costs referred to of workplace accidents and civil liability expenses related to health checks…) and to conclude a specific agreement with OISAIR network, regulating the way the Research Associate carries out the activities;

  d) to collaborate in the drafting of the final technical report that the Scientific Partner will prepare at the conclusion of the R&D Project according to the requirements set on the terms and conditions of the Innovation Voucher call

Annexes:

Annex 1. Experimental Plan

Annex 2. Non-Disclosure Agreement
